

Outdoor Sculpture Artist Duo Bio

Nazari Knibbe is a two person, LA based collaborative sculpture duo. They are currently designing and fabricating an outdoor private sculpture commission for esteemed art collector Beth DeWoody, and in early 2023 a selection of their artworks will be featured at The Los Angeles Municipal Gallery. Their recent exhibition was selected as an *ArtForum* “Must See” Editor’s Pick and by Lauren Mackler as an exhibition not to miss in Hauser and Wirth’s *Ursula Magazine*. The Hammer Museum’s patron group visited their inaugural collaborative iteration as part of their artists to watch studio visit programming.
