OTHER FICTIONS presents a critical deconstruction of sci-fi discourse and scientific speculation, through the lenses of the global south. Integrating digital and traditional processes, the works question the anesthetic properties of futuristic aesthetics, as political tools in a context of crisis.

OTRAS FICCIONES presenta una deconstrucción crítica del discurso de la ciencia ficción y la especulación científica, a través de los lentes del sur global. Integrando procesos digitales y tradicionales, las obras cuestionan las propiedades anestésicas de la estética futurista, como herramientas políticas en un contexto de crisis.
