Amie Kana Cunat

Born 1986 in McHenry, IL
Lives and works in Brooklyn, NY

BIO

Amie Cunat uses painting and sculptural installation to confront familiarity by exaggerating or omitting characteristics from an observed source. Influenced by depictions of nature from early American painting, Shaker gift drawings, Japanese textile patterns, Art Deco, sci-fi and horror movies, Cunat's recent paintings include imagery of plant life that appear loud and flamboyant at the onset. Their exclamatory presence is prolonged through charged hue and abstracted form.
